Gooooooooood!

She's really great. Her notes are super organized and easy to follow and we're helpful for reviewing material

Matali was very helpful and provided detailed notes on homework and passed exams.

Mitali is the best TA ever. She is awesome. She expertly explains the course content in a way that students can understand, and then apply on their own. Truly a phenomenal TA who works hard to help student grow.

ta is pretty kind to everyone

okay, I had Jay

Great TA!

Mitali Mathur

nice

They were good

Ok.

Amazing TA. Her discussion sections were very specific and helpful and sometimes I thought of it more helpful than the actual lectures. Very clear with the work and fielded student questions extremely well.

Very good. They gave us some keys and solutions to different types of problems.

Goes well.

I think Matali did a very good job this quarter. My only feedback would to get ahead of notes on the problem sets because it was very easy to fall behind in this class for students.

She's the reason I'm gonna pass ECN 1A. She is awesome.

Please pay the TAs more.

Excellent TA! Her lecture notes were super super organized, which made studying her lectures easy and effective. Her efforts were appreciated.

It is an excellent class and teach me a lot

She was super helpful and would go out of her way to present topics that we had mentioned having difficulties in. 10/10
